Adult Matric

If you never finished your matric year or your marks weren't up to scratch, you still have a chance. With Adult Matric you have the opportunity to finally get your matric certificate.

About Us

Matric College is a distance learning institution that gives students the chance to obtain their matric certificate.

Having a matric certificate allows you to have more career options, whilst also allowing you to further your education.

Adult Matric

Adult Matric gives individuals who have left school or failed their matric year, a second chance.

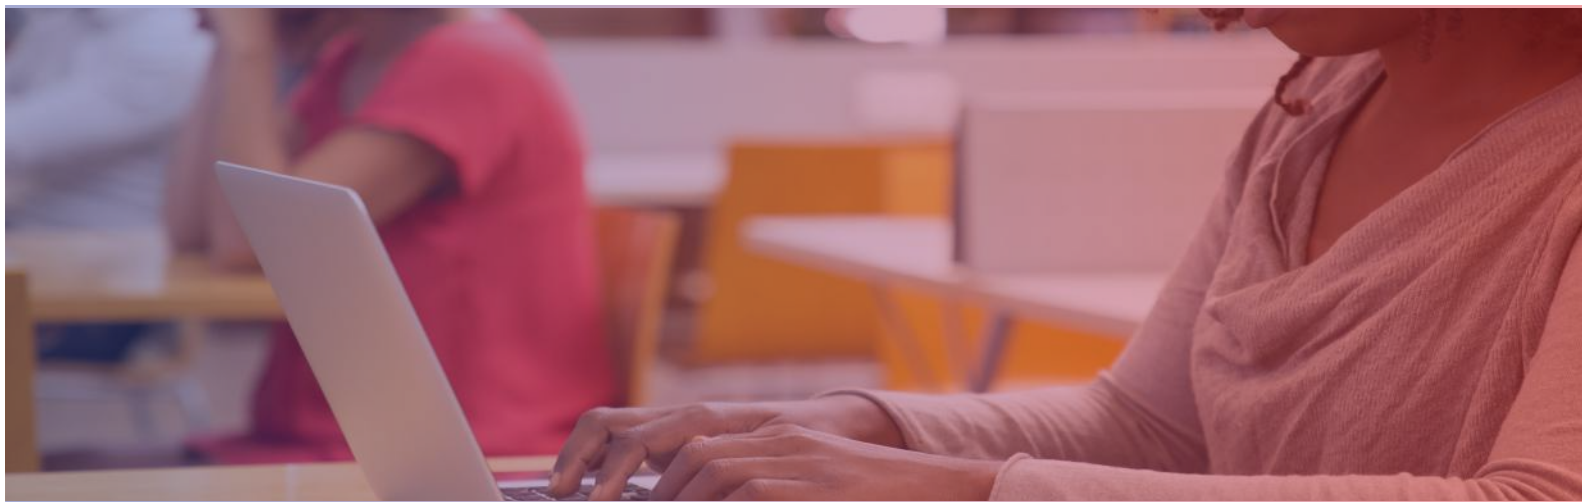

With a matric certificate, you can double your earning potential from what you would have earned with a grade 11 certificate.

The great thing about getting your matric certificate is that you will boost your earning potential, employment chances and overall self-confidence.

Enrolling for Adult Matric

To be able to apply for the Adult Matric course you must meet the following requirements:

- Be 21 years and older
- Have a Grade 9 Certificate

After Registering

Once you have registered with Matric College, our course experts will help you choose the right subjects for your interests. Our support staff and tutors will also be there to help you prepare for your exams, every step of the way.

With Adult Matric, you write one set of exams in May/June. Your final marks are entirely based on these exams since there are no class-work marks.

Matric Upgrade

Sometimes our matric results are not what we would like them to be. Luckily, Matric College offers you the chance to improve your results

About Us

Matric College is a reputable distance learning institution that gives students a second chance at matric.

Whether you choose to upgrade your matric or do it for the first time, we have an option for you. With us, you can further your education from the comfort of your home.

Matric Upgrade Overview

Our Matric Upgrade course gives you the chance to get the results you want. A Matric Upgrade is perfect if you need to improve your results or if you want to change your matric subjects. This could be because of future course requirements or because you may have struggled with your initial choices.

With a Matric Upgrade, You Can:

- Choose to improve specific subjects that you didn't do well in.
- Take different subjects that you didn't take in your matric year.
- Still get credited for the subjects you passed and did not choose to improve.
- Consolidate your initial marks and your improved marks into one matric certificate.

After Your Successful Registration

Once you have successfully registered for your Matric Upgrade you can choose the subjects you wish to improve. Our course experts will help you prepare for your examinations through tutoring groups and an array of online support. Your final results for your chosen subjects will be based solely on the Matric Upgrade exam that you write. There will be no class work for this course.
